HARVEST FESTIVAL

Our Mass this weekend begins with an offertory procession of crops and fruit from this summer's harvest. The church is decorated from top to bottom with more produce. It should help us to lift up our hearts in thanksgiving and remain as a reminder of our dependence on God for everything in our lives.

One has to see the results to appreciate the planning, the work, the time and the giving which has gone into this display. Thanks to the Liturgy & Celebration group for this mighty achievement.

MISSION SUNDAY

World Mission Sunday was instituted in 1926 by Pope Pius XI and it was to be celebrated in every church in every place, even the poorest, on the second last Sunday of October every year. More than €2 million was donated by Irish congregations to the Mission Sunday collection in 2012. As many as 1,100 mission dioceses receive funds to assist projects submitted to the Society for the Propagation of the Faith. These would include providing the bare essentials of life for missionaries; formation of the laity and catechists; building of chapels, churches, community and pastoral centres; refugee projects. 25% of the Mission Sunday collection is given to support the formation and education of priests, brothers and sisters.
