Pointers for Prayer

(From: www.tarsus.ie)

- 1 The Baptism of Jesus marks a turning point in his life, and the start of his public ministry. Recall moments when your life changed and you moved into a new phase.
- 2 The experience was one in which Jesus had a new sense of his own identity. What have been the experiences which have helped shape your sense of who you are? How have you come to an

awareness of being a child of God, beloved by God, and one on whom rests the grace of God?

- 3 It is surprising that Jesus, the Saviour of the world, asks to be baptised by John. The request symbolises his desire to identify with us. At the same time he is filled with the Holy Spirit. That step of identifying with us in an important element in his being able to help us.
- 4 Have you ever found that when someone identifies with you, it is easier for him/her to help you? Has your ability to identify with others had any impact on your effectiveness in helping others?

Prayer

God of the covenant, you anointed your beloved Son with the power of the Holy Spirit, to be the light of the nations and release for captives. Grant that we who are born again of water and the Spirit may proclaim with our lips the good news of his peace and show forth in our lives the victory of his justice. We make our prayer through Jesus Christ, your Word made flesh, who lives and reigns with you in the unity of the Holy Spirit, in the splendour of eternal light, God for ever and ever. Amen
