To date 64% of the numbers have been matched with names. Some people will wish to remain anonymous but if you want yourself identified and haven't yet done so please try make sure your name is on the envelope as soon as possible. If you have a doubt, check with Fr Cremin or put your name on again to make sure. Once more, be assured that only Fr Cremin opens named envelopes and only he has knowledge of what each individual gives on any occasion.
