Role of the Parish Child Protection Representatives

Their role is to promote the safeguarding of children within Church organisations by:

1. Raising awareness of what safeguarding is through information sessions.
2. Ensuring that any Church-related activities are managed in a way that guarantees the safety of children involved e.g. insurance, appropriate supervision, etc.
3. Publicising clearly the Parish Policy Statement and contact details for the civil authorities and the Diocesan Designated Liaison Person in all Church properties.

4. Monitoring the implementation of the Policy at parish level.

The overall responsibility for safeguarding children in any Church organisation remains with the Parish Priest.

If a disclosure is made to a Parish Representative, he/she should:

1. Advise the person to make a statement to An Garda Siochana. The Parish Representative may report directly to the Garda Siochana and Tusla (HSE).
2. Give the person the telephone number of the Diocesan Designated Liaison Person.
3. Make contact with the Designated Liaison Person and pass on the details as known and keep a record of this contact.
