New Bell Controller

After a long absence, the automatic Angelus and Mass bells are ringing again since this week. We had ascertained that the electronics in the old equipment were beyond repair and we purchased new modules directly from the factory in England for €1,163 and installed them ourselves. This was achieved through the voluntary technical expertise of Dan Burke, who spent many hours on the phone to the factory in diagnosing the old units and in planning the new modules and, finally, successfully installing and commissioning the new units.

Saturday Vigil Mass. Please join the
Ladies' Choir for the final hymn:*

Bind Us Together

Chorus

Bind Us Together, Lord,

Bind us together

With cords that cannot be broken.

Bind us together, Lord,

Bind us together,

Bind us together with love.

There is only one God,
There is only one King;
There is only one Body,
That is why we sing:

Chorus

Bind Us Together, Lord,

Bind us together

With cords that cannot be broken.

Bind us together, Lord,

*Bind us together,
Bind us together with love.*

Made for the glory of God,
Purchased by His precious Son;
Born with the right to be clean,
For Jesus the victory has won.

Chorus

Bind Us Together, Lord,

Bind us together

With cords that cannot be broken.

Bind us together, Lord,

Bind us together,

Bind us together with love.
