The club cannot function without the help of parents. Under new requirements of the Child Protection Laws, all helping parents must be Garda vetted. To facilitate this, we are asking parents to bring at least two forms (and ideally more) of strong photographic IDs, and separate proofs of address on the night. Strong IDs would include passports, photographic Public Services Card, credit card Drivers Licence and home utility bills. Other forms of ID (e.g. old style drivers licence, other letters confirming address) may also be acceptable if three or four forms are presented - we can check them against the National Vetting scoring system to see if the combination of ID's is acceptable or not. Full details, including the scoring system and acceptable forms of ID, are available on the Kilbrittain Foroige Facebook page. Please ring or text Ted at 087/6329290 for further information or any query about suitable forms for vetting.

KILBRITTAIN GAA

The initial response to the dressing rooms - greyhound racing fundraiser night has been very positive. Thanks to everyone for their support.

Lotto 03 - 16 - 26 - 32

There was no winner of the €14,000 lotto jackpot. €40 winners were Eamon Moloney (Glendubh), Frank O'Brien, Fehilly Family (Castleview), John Wilmot, Tadgh O'Mahony. The jackpot for this weekend will be €14,200.

ANYBODY INTERESTED? NEW RTE

SHOW! Waka TV are producing a new series for RTE called 'Raised by the Village' and we are considering Kilbrittain as our village location for the programme.

As the old saying goes, it takes a village to raise a child. We want to make that saying a reality by bringing a teen from an urban environment down to a rural village where they will learn that there's another way of life than the one they're used to. They will be immersed in the community, partaking in different activities and challenges over the course of a week long stay.

The teenager will stay with a host family and will have mentors from the community as they get involved with each different activity or club event. The teen will have been nominated by their parents to take part for various reasons - perhaps they're a social

media or computer game addict, or hanging round street corners. We want to see how a completely urbanised, city kid will adapt to their new surroundings and if their break from their usual environment will set them back on the right path in life.

This new programme is for a primetime RTE slot and we feel it will showcase the village and the benefits of rural living to a wide audience. All the best aspects of the village will be highlighted, focusing on the strong sense of community and collective support system that can be missing in bigger urban areas these days. We think this could be a fantastic opportunity to display Kilbrittain in a positive light to the RTE viewers, while giving the teenager an eye opening and hopefully life changing experience that they'll never forget.

Of course, filming in the village depends on if we have the right family to host! We are looking for a family with teens in the house who are happy to take on one more for the filming period. They would be the surrogate parents while the teen is there, and the teen would be fully expected to row in with household chores and family routines. Even better, if the family lives on a farm the teenager can muck in too! The teenager's journey in the village would be filmed by our small crew of one camera, one sound, one producer and one director. They would be in the village for the week, charting their progress with their host family and as they take on each different challenge.

We are speaking to a number of villages at the moment but we would love if you could spread the word around the village and see if people are interested in getting on board. Once we knew there was interest there, we could come down in person to outline what the process would involve and discuss how they could be the best fit for this show. Contact Áine on 085 8183758 and you can also call our office on 01 6343732.
