*Which public figure included the following in his/her Christmas Message? All will be revealed in tonight's/today's homily!*

**Christmas Day is, first and foremost, a celebration of the birth of Jesus Christ. It is a day of inestimable importance to billions of Christians the world over. Today, of all days, I want us to remember those Christians around the world who are facing persecution. For them, Christmas Day will be marked in private, in secret, perhaps even in a prison cell. We stand with Christians everywhere, in solidarity, and will defend your right to practice your faith.**
