ONLINE DONATIONS

The 'Donate' button shown below now appears on every page of the 'kilbrittain.org' website. It opens a page through which you can make donations with credit or debit card. It has options for people to sign up as contributors or to give a once off donation, anonymously or otherwise.

Signing up as a donor, with email address and your chosen password, means that any subsequent donations won't require repeated input of Credit/Debit Card details for subsequent donations.

The system is run by Payzone. Our 'donate' button only passes you over to Payzone and they handle every other part of the transaction, they pass on the money to the bank, issue you with an email receipt and compile a complete report for us. This means that all security measures are implemented by Payzone, who have long-standing practice and experience in handling online payments. As part of the implementation of this scheme, parishes enter into a special arrangement with their normal bank.

Options which are available are:

Weekly Offertory Contribution if one is signed up, can be once-off, automatically paid every week or once a month. Can also be paid as once-off or manually on separate occasions without being signed up.

Priest's Income. As above, with automatic periodic repetition as an

option and not obligatory to have signed up if once-off.

Diocesan Quarterly Collections.

All as above.

There is also the possibility of adding in future: Mass offerings; Trocaire Donation; any or all the monthly special collections; special campaigns like the appeal used some years ago to fund the new steps; Vincent de Paul; any other church cause or appeal usually collected by the church for other charities.

Also available to parishes for future expansion is payment by mobile phone through QR Code and Card-tap terminals.

Cost. Payzone and bank retain a small percentage of each donation, that is the way Payzone makes a living. The parish will absorb this, though the system allows us to let you tick a box to add the collection cost to the sum donated. We won't implement this option in the foreseeable future. An example given by Payzone of collection cost is that the total shared between PZ and bank on a donation of €10 would be 33 cent.
