#### The Mystery of the Trinity

The idea that God is Father, Son and Holy Spirit, and yet one God, has been the teaching of the Church since the very beginning, so we know it is revealed doctrine, but if somebody asks you to explain it then it's rather difficult.

And that's a good thing.

Basically, the Trinity is not a doctrine to be understood. Basically, it is a way of living with the great unknown, but now revealed by Jesus, of God the Creator, God the Redeemer and God the Saviour.

Because God has come and He hides Himself in our own hearts, and the name of that hidden place is God's love.

So today we celebrate the arrival of God's love, for God is love, and how He swoops us up into a new understanding that when we love each other, we are loving God; and when we reach out to each other, we are welcoming God; and when we care for each other, we are caring for God.
