#### Today's Gospel

Denying yourself seems the very opposite of going for happiness, and the cross is an instrument of torture. Why would God want these things for his people? Does God want us to be unhappy?

This is where Christ's line comes in. The route to the happiness God does want for us has to go through the cross of Christ. Christ is The Way for us, and the cross is where we meet him, for the road to our true happiness in love and holiness in him.
