Parochial House

Work has now been completed on the refurbishment of the kitchen. House will be open after Masses this Saturday, Sunday and Monday (St Patrick's weekend) and you are invited to view the transformation which has been brought about.

This Sunday all three readings follow the same thought that, perhaps, can be expressed in this way: faith is a journey we are all on, a journey of joy, a journey that demands sacrifice, and a journey that leads to glory.

Faith is a journey. That's a strange statement. Perhaps you might say, "I thought faith was the sum total of the things that you believe." No, faith is much more than that. Faith is the way that we live reflecting our beliefs.

Faith is a journey. It is a journey of joy as we grow in the realization that we are happy when we are united to God. We are given a small portion of the joy that God has for us when we recognize His Presence and His working in our lives. When we live our faith we are happy with ourselves. Faith is a journey of joy as we experience others coming to the Lord, particularly our young, but all others who find Christ.
