The Jubilee Year of Mercy

December 8, 2015 to November 20, 2016

At the centre of this holy year is our personal relationship with Jesus Christ. We are called to look honestly at our relationship with the Lord, to turn from the ways that we have preferred our own will to his and to seek reconciliation. This puts the Sacrament of Penance and Reconciliation at the centre of the Year of Mercy. During this holy year, each of us is invited to renew or begin a commitment to the regular practice of sacramental confession. It is here that we will hear with our ears and experience in our hearts Jesus' most consoling words, "I absolve you of your sins." Even if it has been a long time since your last Confession, Pope Francis encourages you, "...Do not lose another day. Dear friends, celebrating the Sacrament of Reconciliation means being enfolded in a warm embrace: it is the embrace of the Father's infinite mercy."

Items for next weekend's Bulletin should be submitted before Wed night, please.
