### NANO NAGLE, FOUNDRRESS OF THE PRESENTATION SISTERS

Nano Nagle, Foundress of the Presentation Sisters, was made Venerable by Pope Francis in 2012. Since then we are actively encouraging prayer for a miracle which is required for her canonisation.

Nano set up several hedge schools in Cork in the 1700's at a time when Catholic education was forbidden. She was a pioneer of Catholic education.

She founded the Presentation Congregation on Christmas eve in 1775, in South Presentation Convent, Cork. There she continued to work tirelessly until her death in 1784. She was fondly known as 'The Lady of the Lantern' due to the fact that was regularly seen moving through the streets at night visiting the old and lonely.

It is hoped that Pope Francis will visit

Ireland in 2018 for the 9<sup>th</sup> World Meeting of Families. This will be an opportunity to ensure that the Pope gets to know more about Nano.

2018 is a very significant year for the Presentation Sisters also for the following reasons:

- It marks the 300<sup>th</sup> anniversary of the birth of Nano Nagle
- An international Gathering of Presentation will take place in 2018
- Phase 2 of the South Presentation development – Nano Nagle Place - will be completed that year

We are inviting you all to join with us in promoting devotion to Nano and praying for a miracle.

*O God, you filled the heart of Nano Nagle with loving care and compassion for the needy. Through her intercession, help us in our need. (Specify need)*

*Grant that, like her, we may do your Will, and that we may grow in your love and in the love of our neighbour. Through Christ our Lord. Amen*

### Prayer for canonisation of Nano Nagle

*O God, who enkindled in the heart of your servant, Nano Nagle, the fire of your love and a consuming desire to serve you in any part of the world, grant that we also may love you and make you much loved.*

*And if it be for the glory of God, and the salvation of souls, grant that soon she may be raised to the altars of your Church. Through Christ our Lord. Amen*
