### The Holy Spirit in Us

We are to be his witnesses. People  
don't like to be reminded of God. Still,  
we are commissioned to be his  
witnesses to Jerusalem, to Samaria,  
and to the ends of the earth. The  
disciples were afraid of the Jews. This  
changed when they received the Holy  
Spirit. They received the spirit of  
wisdom, understand, counsel, and so  
on.

If we have received the Holy Spirit,  
why are we afraid to talk to our  
neighbour of God? We say we are  
Catholic, Christian; we follow Jesus  
Christ. The Holy Spirit empowers us,  
reminds us that we have a mission.

The good news is that God is Father of  
us all. We all have different languages,  
different social status. We are all one  
family, living as brothers and sisters.  
Our mission will be accomplished with  
God's help.

We are one family, one Church, one  
faith. The Holy Spirit is not only in  
our hearts, but our minds. The Holy  
Spirit invites us to live as a family, to  
live as brothers and sisters.
