Defibrillator

The defibrillator (AED – Automated External Defibrillator) at Kilbrittain National School was updated recently. Its location, on the outside wall near

the entrance door closest to the church sacristy, was deliberately chosen from the outset in order that it could be available for an emergency among the Church congregation as well as those attending the school. A wide selection of local people have availed of instruction nights in the past but the machine gives such detailed voice assistance at each step that even an inexperienced person can operate it with full confidence. The access code for getting at the defibrillator is:

C 1 2 3 4

For future reference this code is displayed prominently in the sacristy.

Mass in Upton

Mass, Rosary and Adoration on Monday next, 30th Sept, at 7.30 in St Patrick's, Upton. Celebrant Fr John Keane.

Eucharistic Adoration

There are 168 hours in one week.
Jesus said 'Could you not watch one hour with me'.

~ ~ ~ ~

No one ever wants to talk about hell. It is not often that a priest talks about hell. No one wants to hear about hell. It seems distasteful. But then, Gospel readings like we have today come along and we have to deal with the topic. And it is clear from our Lord that we need

think about it and that it is very important that we do.

The trouble is: there is a growing sentiment in our culture that "no one really goes to hell". You have heard that right? We start telling ourselves: the God I believe in wouldn't send me to hell. We tell ourselves I am no saint, but I am a "good" person. Living my life, day by day, so what if I told a lie here or there, so what if I cheated on my taxes last year, so what if I was unfaithful against my spouse, so what if I only make it to church when I feel like it. Who needs confession, God understands. Me and God, we are like this! Life goes on.

My friends, when I watch the news and I see people hurting other people, it has been so, so sad lately, it makes me wonder how many people are concerned about their salvation anymore? It makes me wonder. However, when you read the Gospel, it becomes very clear that Jesus is very concerned about our salvation, he even died for our salvation, and he speaks about the need for our salvation often, like in this startling parable we have today: the rich man and Lazarus.
